

Making Assignments in ConnectEd

Note: You can only assign activities to students at their grade level.

1. Teachers and students can log in to ConnectEd from any computer connected to the Internet by going to <http://connected.pisd.edu> in the browser.
2. Click the **Treasures Grade # Resources** link for the desired grade level.

The screenshot shows the 'Your ConnectED Content' section on the left and the 'Manage Users and Content' section on the right. Under 'Your ConnectED Content', there are three items: 'Grade 1 Online Teacher Edition, Texas Treasures', 'Grade 2 Online Teacher Edition, Texas Treasures', and 'Grade 3 Online Teacher Edition, Reading Triumphs'. Each item has a 'Teacher Edition' label and an 'Associated Course Content' link. The link for 'Grade 2 Online Teacher Edition, Texas Treasures' is circled in red. Below each item is a 'Manage Content' button with a gear icon. The 'Manage Users and Content' section has a 'Redeem Master Code' button and three buttons: 'Manage Students', 'Import Students', and 'Import Status'.

3. Near the top of the page, click **Manage and Assign**.

4. Click the **Create Class** button.

The screenshot shows the 'MANAGE AND ASSIGN' section. It contains the text: 'You currently do not have any classes. To begin building your classes click the Create Class button.' The 'Create Class' button is circled in red.

5. Give your class a name and select the appropriate grade level. Do NOT check “Use Simplified Login.” Click **Save**.
