## Online Textbook Resources

### Login Information

Teachers and students will login to **Pearson** the same way. Access to these resources goes through Clever, which uses a process where classes are set up through information in TEAMS, and allows the login process to be single sign on.

1. Open the Chrome or Firefox web browser (not Internet Explorer)
2. Go to [pearson.pisd.edu](http://pearson.pisd.edu)
3. Enter your network username and password.

#### Teachers

Username: firstname.lastname

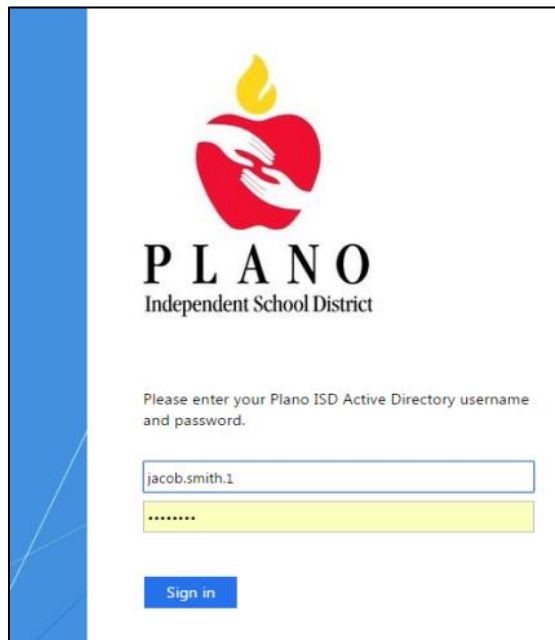

Password: network password

#### Students

Username: firstname.lastname.#

(Example: jacob.smith.1)

Password: network password

The screenshot shows the login page for Plano ISD. At the top is the Plano ISD logo, which features a red apple with a yellow flame above it, and the text "PLANO Independent School District" below. Below the logo, there is a prompt: "Please enter your Plano ISD Active Directory username and password." There are two input fields: the first contains the username "jacob.smith.1" and the second is a password field with yellow dots. A blue "Sign in" button is located at the bottom of the form.
