

## Dear Parent/Guardian,

Your child has been enrolled in Think Through Math, a web-based mathematics program for students in grades 3-8 and Algebra I.

Think Through Math personalizes student learning with unprecedented levels of differentiation, explicit instruction, meaningful practice, unparalleled motivational tools, and unlimited access to LIVE, state-credentialed teachers.

Because Think Through Math is web-based, your child can access the program from any computer that is connected to the Internet, whether at school, home, or the library. The program is proven to increase math proficiency when implemented **2 to 3 times each week or about 90 minutes each week**. A few recommendations:

1. Encourage participation. The more time your child engages with the program, the more they will experience success and the more they will learn.
2. Encourage thoughtfulness. The program provides constant support and immediate feedback, especially in those places where students tend to struggle.
3. Take time to review the dashboard with your child. Discuss lessons completed, lessons passed, and points earned. Remind your child that hard work pays off.

## Student Login Procedures

1. From Chrome, Firefox or Safari, go to <https://clever.com/in/pisd>.
2. Click **Log in with Active Directory**.
3. Login to the program.

**Student Username:** Network Login (How I log in to the computer at school.)

**Student Password:** Network Password (The password I use at school.)

4. Click the **TTM button** to start the program.
5. The Think Through Math program opens to the student dashboard.

## Office Hours for Online Teachers (Central Standard Time)

While working in Think Through Math, students receive immediate corrective feedback. Additional instructional support is provided by LIVE, certified math teachers who will tutor your child one-on-one.

- Monday–Thursday 7:30 a.m. to 9:30 p.m.
- Friday 7:30 a.m. to 6:30 p.m.
- Saturday 11:00 a.m. to 3:00 p.m.
- Sunday 5:30 p.m. to 9:30 p.m.

Sincerely,
